\* [ex] = exemption from VAT. Exemption is commonly justified by socio-cultural activities and/or of general interest.

\*\* The French super-reduced 2,1% rate is available for the first 140 representations of a same production. If you can benefit from this super-reduced rate, your VAT on concert tickets is of 2,1% as well. This does not so much apply to live music venues or clubs than to the artistic companies who might perform in a live music scene.
